

Pay Circular (AforC) 1/2013

Changes to the NHS Terms and Conditions of Service Handbook (amendment number 28): pay and conditions for NHS staff covered by the Agenda for Change agreement

Summary

This pay circular informs employers of:

- a 1% pay uplift, effective from 1 April 2013
- a 1% uplift to the minima and maxima value of the high cost area supplements, effective from 1 April 2013

These amendments will be incorporated into Amendment 28 of the NHS terms and conditions of service handbook which is due to be published by the end of March 2013.

Action

1. From 1 April 2013 employers should ensure that the new Table 12 in Annex C and new Table 18 in Annex I, attached to this circular, are used to calculate pay and high cost area supplements for eligible staff.

National recruitment and retention premia: transitional protection arrangements

2. Pay Circular (AforC) 3/2011 contained arrangements, in a revised Annex R, for national recruitment and retention premiums to be phased out. On 1 April 2013 all payments will cease.

Effect of this amendment

3. The pay point values made effective by this pay circular replace those contained in Pay Circular (AforC) 2/2012. The minimum and maximum values of high cost area supplements in the new Table 18 replace those contained in Pay Circular (AforC) 2/2010.
4. Details of the changes made effective by this circular are in the Annex attached.
5. The recommended rates from 1 April 2013 have been calculated on the basis of a cumulative uplift. The Agenda for Change pay rates applicable on the 1 October 2004 have been used as the baseline figures to maintain relativity and therefore the published figures may differ slightly from the figures calculated by applying the 1% uplift to the figures as of the 1 April 2012.
